

## GENERAL CONDITIONS OF USE

### 1. Preliminary information

The present document is providing the General Conditions of Use of the website published at [www.glemgas.com](http://www.glemgas.com) (hereinafter respectively the "General Conditions" and the "Site"), to which anyone wishing to navigate on the Site should comply.

The access to the Site and every activity that implies the navigation on the corresponding web pages constitutes full acceptance of the General Conditions.

If the User does not intend to accept the General Conditions, he/she must abstain from navigating on the pages of the Site. Everyone accessing the Site implicitly declares that he/she shall not use the Site and all its material for unlawful use or in any case for any use contrary to the applicable laws.

The General Conditions may be modified by Glem Gas S.p.A., without giving any notice to the Users, which are in any case bound to read the conditions periodically before the access to contents of the Site. The access to the Site after these modifications implies the full and unconditional acceptance of the General Conditions modified in such a way.

Whereas in the pages of the Site are offered products and services or presented contents subject to special terms and conditions as described in such pages, these special conditions will prevail on the present General Conditions.

### 2. Content of the Site

#### Description

The official Glem Gas S.p.A. web site [www.glemgas.com](http://www.glemgas.com) is an instrument of information and entertainment of Glem Gas's main events; the Site has the purpose of providing a wide range of promotional and commercial activities of Glem Gas S.p.A., of products and services offered and on the corresponding ways to take advantage of it.

All the contents of the Site (news, photos, video files, audio files, trademarks, logos, domain names, software, graphic layout, technical certification and User manuals, etc) and the corresponding rights are hereby expressly reserved and for this reason all the material can be consulted only for personal use, being expressly forbidden any other use without the express prior written permission of Glem Gas S.p.A.

#### What the site offers

On the Site may be available different links related to third parties websites and to other companies controlled by Glem Gas S.p.A. The hypertext links have the only function of making the navigation easier for the User, without any sort of relationship between the content of the Site and the third party site linked. In addition, Glem Gas S.p.A. informs that it has no power to control the third parties' web sites linked to the Site and on the authenticity, correctness and adequacy of the products and/or the information contained in such web sites. If on the linked site the User will find special terms of use, these special terms will prevail on the General Conditions.

### 3. Copyright and other intellectual property rights

All the content of the Site is subject and protected by the applicable copyright and intellectual property laws.

Reproduction, transmission or extraction, in whole or in part of any material contained within the Site is strictly prohibited and it is also prohibited any other activity which may damage the legitimate interest of the author and /or the other owners of rights upon the contents of the Site.

The Site and all its content can be used exclusively for personal, research or educational purposes, with the prohibition of any direct or indirect commercial use, provided that the rights owner are duly quoted and no modification will take place on such contents.

As an example for the content of the Site is intended (including but not limited to) the following:

- Texts;
- Photos;
- Movies;
- Databases;
- Graphs and spreadsheet;
- Slogans;
- Audio reproductions;
- Drawings (animated or not);
- Any other graphic and /or textual representation.

It's not allowed to copy and/or to reproduce in whole or in a part the content of the Site without the express authorization of Glem Gas S.p.A.

At the same time, Glem Gas S.p.A. is the sole owner of all the trademarks, domain names, company names and signs present on the Site, which are protected by the applicable intellectual property laws. In the light of above any sort of reproduction in whatever shape or way without the express prior authorization of Glem Gas S.p.A. of the above mentioned contents is strictly forbidden and at the same time is also prohibited the registration of the trademark "GLEM GAS" o "GLEM" in any top level domain.

The User is also informed that some pages on the Site may also contain third parties trademarks, domain names, company names cooperating with Glem Gas S.p.A. and to which is granted the same protection of the distinctive signs of Glem Gas S.p.A. pursuant to the applicable intellectual property laws.

Glem Gas S.p.A. informs that is strictly forbidden any use of all the distinctive signs of Glem Gas S.p.A., as metatags and/or each html language command which, even if not implying the displaying or the formatting of a certain command, provides in any case instructions to electronic agents or to search engines in order to reach - in an easier way - a website different from one of Glem Gas S.p.A.

### 4. How to use the Site

Glem Gas S.p.A. informs that the content of the Site cannot be, in whole or in a part, copied, reproduced, re-published, loaded, transmitted or distributed, in whatever way or shape, without a prior written authorization of Glem Gas S.p.A., being excluded the activities of printing, downloading and displaying part of the Site's content made for a personal exclusive use and not for commercial use, provided that all the material will not be in any way modified and that all the intellectual property information will be maintained as they appear on the Site. Moreover, the content of the site cannot be made available, in whole or in a part, through means of communicators, i.e. Internet, video systems, radio waves or any other instrument without a prior written authorization of Glem Gas S.p.A.

In addition, the information and materials contained on the site cannot be used for commercial purposes in order to create any sort of database resource and cannot be stored ( in whole or in a part) in previous databases, to which is possible to access both for the creator and for third parties.

### 5. Linking and framing

Without a prior written authorization of Glem Gas S.p.A., it is prohibited the creation of links to the first page of the Site (hereinafter also the "Home Page") as currently published at [www.glemgas.com](http://www.glemgas.com) or to other internal pages of the Site.

In any case, if any User or any third party wish to create on their website a link to the Site, they shall send an email to [info@glemgas.com](mailto:info@glemgas.com) indicating: a) all data of the designed technical contact person where you want to insert the link to the home page ( including the email address and the telephone number); b) all data of the requesting company; c) the web address where the link will be created; d) every further useful information in order to obtain the authorization of Glem Gas S.p.A.

Glem Gas S.p.A. expressly bans any specific link which redirects any User or any third party to an internal page of the Site without passing through the Home Page ("deep linking") and any automatic link ("inline linking") which allows the User the automatic display in a specific space of images made available at the Site.

Glem Gas S.p.A. expressly ban the link-frames ("framing"), which permits to a page of the Site to appear in a specific page of another site and in addition to this effect the content of the page will appear in a frame constructed for this purpose.

The violation of the provisions of this article constitutes an illegal conduct also in respect of the unfair competition laws in force.

### 6. Exclusion of warranty and limitation of liability

All the content published on the Site are provided for the sole purpose of general information. Glem Gas S.p.A. does not provide any warranty on its accuracy and completeness and reserves the right to modify and refresh such information without giving any notice to the user.

Glem Gas S.p.A. will not be held responsible for any and all damage, direct and indirect including the loss of profit due to the use or the impossibility of the use of the Site and of its contents or web sites directly or indirectly linked and for any omission or mistake.

### 7. Separability

Whenever a clause of the present General Conditions will be considered illegal, null or for any other reason ineffective, such a clause will be held separate from other clauses, without mining the validity and the effectiveness of the remaining clauses.

### 8. Applicable law and Jurisdiction

Without any limits to any different rights that the Users should be entitled to according to any national and international rules and regulations, the General Conditions will be subject and interpreted according to Italian Law (with an exception for the rules on conflicts of law), including any dispute about the existence, validity, effectiveness of the General Conditions and of any other related agreement.

Provided all the above, any dispute that may arise in connection to the General Conditions and to any related agreement, will be subject to the exclusive jurisdiction of the Court Modena ( Italy).  
By virtue of the application of Italian law, in the event of any conflict of interpretation between the English version and the Italian version of these General Conditions, the Italian version will prevail.
