

GF64GEI

60cm Stainless Steel FAN ASSISTED GAS OVEN

TITANIUM ENAMEL - EASY TO CLEAN

Low porosity titanium enamel reduces dirt build up. The titanium enamel is resistant to the attack of acids and maintains its colour over time even after intensive use.

TRIPLE GLASS DOOR

Triple Glass ventilated door keeps surface temperatures down. Much more comfortable and safer.

OFF GRID READY

Electricity consumption is one percent of equivalent electric ovens making it ideal for homes on solar power. The oven is able to operate during a black out and a full LPG conversion kit is included.

SAFETY VALVE

If for any reason the burner flame extinguishes the gas stops flowing. The gas will not flow until the burner has been ignited.

TECHNICAL FEATURES

MAIN FEATURES	
Oven Features	Fan assisted GAS Cooking
	4 Cooking Functions
	Automatic Cooling Fan
Gross Volume	69 Litres
Detachable Side Racks	4 Shelf Levels
Control	Rotary Knob

WARRANTY	
2 Years Parts and Labour	In home service

GF64GEI

60cm Stainless Steel FAN ASSISTED GAS OVEN

INSTALLATION NOTES

Gas Installation

the oven must be installed by a licensed gas fitter who must sign off the installation to complete the requirements to activate the 2 year warranty.

The gas oven needs to be installed with a minimum 50mm cavity underneath to allow air flow to the burner.

Electrical Connection

The oven has a 1.2M cord with a 10 amp plug fitted. This is a simple plug in connection. The oven should be installed with a unique circuit, not sharing the connection with other appliances.

2 Year Warranty

A full nationwide 2 Year Warranty applies. Proof of purchase and proof of correct installation by a licensed installer is required for warranty service.

Call Glem Gas on 1 300 307 917 for details.
